THE SCHOOL HAS NO CATALOG

THE school does not publish a catalog. This special issue of the school paper, *THE ARCHON*, is designed not only to replace the usual school catalog but also to provide a more intimate and complete picture of the life of the Academy.

The school will be glad to send additional copies of this booklet to you or to other persons who may wish to secure accurate, up-to-date information about Governor Dummer.

The usual format, appearance, and arrangement of the school paper have been preserved; the text and most of the photographs are reprinted from the regular issues published during the school year 1938-39. The remainder of the photographs are reprinted from the current issue of *The Milestone*, the school year book, and from the Building Campaign booklet.

An appendix on the last two pages contains a complete list of trustees, masters, and students of Governor Dummer Academy for the school year 1938-39.

SPEAKERS FOR 1939 COMMENCEMENT INCLUDE NATIONAL CELEBRITIES

Headmaster Eames has announced that the speakers who will take part in the 176th annual commencement exercises of Governor Dummer Academy on June 9 will include an unusually distinguished group of nationally known men.

Dr. Alfred E. Stearns, Headmaster Emeritus of Phillips Academy, Andover, will deliver the address to the graduating class. Dr. Stearns has long been a friend of the Academy and delivered the address to the graduating class last year during the celebration of the Academy's 175th anniversary.

Speakers at the Commencement Dinner on Friday evening include Dr. Clarence Cook Little of Bar Harbor, Maine and Mr. John P. Marquand of Kent's Island, Newbury.

Dr. Little, an eminent biologist, formerly President of the University of Maine and later of the University of Michigan and at present director of the famous Cancer Research Foundation at Bar Harbor, is nationally known as an educator and scientist. As a writer and speaker over a wide range of subjects, he is well-known throughout the country.

Mr. Marquand, close neighbor and friend of the school, is one of the best-known contemporary novelists. His novel "The Late George Apley" a study of Bostonian character, won the 1937 Pulitzer Prize and his current novel "Wickford Point" is one of the most widely discussed books of the year. The setting of "Wickford Point" has been identified with Mr. Marquand's family home at Curzon Mills near Newburyport. Mr. Marquand is also the creator of the famous "Mr. Moto" of fiction and the movies.

Dr. Claude Moore Fuess, Headmaster of Phillips Academy, Andover, and a member of the Board of Trustees of Governor Dummer will be toastmaster at the Commencement Dinner. Dr. Fuess has recently published a collection of essays entitled "The Creed of a Headmaster" and is a well-known biographer and editor.

At the annual Senior Sing traditionally held on Sunset Hill, the first copies of the *Milestone*, the school yearbook, will be given out and the dedication revealed.

ACADEMY OPENS FOR 176th YEAR WITH ENROLLMENT OF 149 BOYS

School opened on September 20 with the record enrollment of 119 boarding boys and 30 day students, totaling 149.

The day student enrollment, which is nearly double that of last year, is partially accounted for by the scholarships awarded for the first time to boys living in the Town of Newbury in which the school is located. Twelve nearby cities and towns are now represented by day students.

New York state, with twenty-four boys, is second to Massachusetts which sends forty-one, while New Jersey and Maine are tied for third place with thirteen representatives each.

About two-thirds of the boarding boys are from homes outside of Massachusetts, and these come from fifteen different states and two foreign countries.

In addition to the states mentioned, the following states are represented: Pennsylvania 5; Connecticut 4; New Hampshire and Illinois, 3 each; Rhode Island, Wisconsin, and Vermont, 2 each; and one each from Florida, Colorado, Indiana, Missouri, and Ohio.

Argentina and the Philippine Islands each have one student.

ACADEMY ALUMNI RETURN FOR ANNUAL REUNION ON MAY 20

More than fifty recent graduates of the Academy returned to Governor Dummer on May 20 for the festivities of Alumni Day.

The alumni lacrosse game was played in the afternoon and after a buffet supper on the Mansion House lawn the whole school and its guests met in the New Building for evening meeting. Mr. Sager led the group in singing.

Headmaster Eames awarded a prize to Gordon Ellis, '38 of Wayne, Illinois, who had come the longest distance to the reunion. An Academy chair was presented to William S. Johnson, '32 to inaugurate a new prize for an alumnus whose record subsequent to graduation deserves extraordinary commendation.

The guest speaker of the evening was the Reverend Vivian Pomeroy of Milton whose wit and humor received enthusiastic applause.

INTERIOR VIEW OF ACADEMY MACHINE SHOP

Barnes drill press, Cincinnati milling machine and Stockbridge shaper are three of seven machines installed.

RECENT GIFTS OF MACHINERY INSTALLED IN ACADEMY SHOP

The months of December and January have witnessed notable additions to the Academy machine shop. Through the generosity of Mr. Philip M. Morgan of the Morgan Construction Company, Worcester, Mr. Frederick H. Payne, President of the Greenfield Tap and Die Corporation, Greenfield, and John Newman of the class of 1939, the acquisition of several fine metal-working machines has been made possible. These gifts have furnished much needed equipment and have formed the most important stage to date in the development of the engineering department of the school.

The history of the machine shop started in November, 1937, when Mr. Philip Lowell of the faculty began the direction of a group of boys who completely renovated the old barn which formed part of the Noyes Farm, recently acquired by the school.

Beginning last fall a group of boys reset an old LaSalle engine and installed it as a power unit in the new shop plant. This engine is now adequate to drive the machines which have been placed in the shop building.

The machinery installed includes a Barnes back-gearred drill press equipped with tapping attachment presented by Mr. Payne who also gave a set of Little Giant screw plates for the purpose of cutting inside and outside threads.

A small Pratt and Whitney threading lathe complete with tool holders, tool bits, chuck and face plates was presented by John Newman.

The Morgan Construction Company has donated a Cincinnati No. 3 universal milling machine with an index head, mandrels and collets. This machine is used for cutting gears and irregularly shaped metal. The Company also presented a twenty-four inch Stockbridge shaper, a Bement heavy drill press, and a thirteen-foot Draper lathe. This equipment enables the shop to undertake any phase of machine work.

The shafting and belting have yet to be installed. When this is done, Governor Dummer Academy will be equipped with a very unusual machine shop whose turning lathes, cutting grinders, and burrowing drills will furnish a scene where, under the instruction of Mr. Lowell, boys can gain practical experience in the complexities of the modern machine shop.

CUM LAUDE SOCIETY DELEGATES HOLD MEETING AT ACADEMY

Governor Dummer Academy was host on May 6 to delegates of District I of the Cum Laude Society, national association of secondary school students of high scholastic standing.

Representative student and faculty members from various schools of northern New England attended, including groups from Deerfield, Abbot, Brooks, Phillips Andover, Phillips Exeter, Hebron, Lawrence, Tilton, Mt. Hermon, and Williston.

The principal speaker at the luncheon was Herbert Ross Brown, Associate Professor of English and American Literature at Bowdoin College who is widely known as a speaker and a scholar in the field of American literature.

Four Seniors Initiated This Year

On May 30 at the annual installation of new members four seniors at Governor Dummer were initiated to membership in Cum Laude.

President James Duncan Phillips of the Board of Trustees presided over the ceremony. Dr. Arthur W. Ewell, honorary member of Cum Laude, a well-known physicist and a trustee of the Academy spoke on the science of modern refrigeration.

BOWDOIN FOOTBALL LEADERS SPEAK AT CHRISTMAS DINNER

Governor Dummer Academy's annual Christmas Dinner, held in honor of the football team, took place on December 15 in the Lang Gymnasium. Headmaster Edward W. Eames, coach of the team, announced that the lettermen have elected as co-captains to lead the 1939 team, Robert W. Nutter of Sanford, Maine, and Clarence N. Pickard, Jr. of Salisbury.

Nutter has shown up impressively as an unusually aggressive, hard-running back.

An important part of the team's offensive this year was developed around Pickard's fine passing ability.

Former Harvard Captain is Toastmaster

The Toastmaster of the Dinner was Mr. Lothrop Withington of Boston, who captained the Harvard football team in 1911. The speakers were the Reverend Vivian Pomeroy of Milton, Mr. Adam Walsh, Bowdoin College's football coach; and Walter C. Loeman, '36, captain-elect of the Bowdoin football team.

A special feature of the Dinner was the introduction of a new school song, the words and music of which were written by Mr. Claudius G. Pendill of Newburyport.

SENIOR GROUPS VISIT COLLEGES TO ATTEND GRADUATE DINNERS

Groups of boys from the Academy have visited four of the New England colleges during the spring term to attend reunion dinners given by Governor Dummer graduates.

Williams Dinner at St. Anthony Hall

On Monday, April 24, Headmaster Eames, Henry Payson, George Simson, Charles Goodrich, and Loring Hubbell were entertained by twelve Governor Dummer graduates at a dinner at St. Anthony Hall at Williams College. After the dinner Mr. Eames spoke informally on the present state of the school.

The night was spent in Williamstown and the college was inspected in the morning.

Alumni Dinner at Bowdoin

Graduates of the Academy now attending Bowdoin College held a dinner at the College Union on Thursday, May 4. Walter Loeman '36 was chairman of the committee of arrangements.

A group of boys, including Macomber Lord, John Abbott, Benjamin Pierce, Wayne Curtis, and Clark Young who plan to attend Bowdoin accompanied Mr. Eames to Brunswick.

Fourteen Graduates Meet at Amherst

On May 8, a group of five boys who plan to enter Amherst were present at a dinner given by the Governor Dummer Club of Amherst at the Delta Upsilon House.

Mr. and Mrs. Eames and Mr. Jennings were also guests at the dinner, as were four alumni of the Academy who are attending Massachusetts State.

Seniors from the Academy who made the trip were Adrian Hasse, Edward Koenig, Miles Cristman, Edward Noyes, and Charles Hewitt.

Harvard Graduates Hold Reunion

On Tuesday, May 16, eight seniors attended the alumni luncheon held at the Faculty Club of Harvard. In addition to the graduates of the school, Mr. Stephen Stackpole, former master at the Academy, and now an assistant dean at Harvard, also attended.

The current group of candidates for admission to Harvard is one of the largest in many years.

Alumni present at the luncheon included William Mulliken, Benjamin Smith, Oliver Andrews, '35; Julian Hess, Burton Machinist, John Wells, '36; Sumner Andrews, Richard Merrill, and Hart Rogers, '38.

ENGLISH CLASSES SEE MACBETH IN FEDERAL THEATER PRODUCTION

On February 25, a group of twenty-two boys, accompanied by Mr. Dunning, Mr. Mercer, and Mr. Barry attended a Saturday matinee performance of *Macbeth* produced by the Federal Theater at the Copley Theater in Boston. The roles of Macbeth and Lady Macbeth were reported as particularly well played, and the production, as a whole, was thoroughly enjoyed.

AMBROSE HOUSE IS REMODELED; PROVIDES ROOMS FOR EIGHT BOYS

During the summer, extensive changes were made in the Ambrose House which was recently acquired by the Academy. An apartment has been made for Mr. and Mrs. Kirk and their two children, and there are rooms for eight boys.

Photograph by Eugene Gardner, '40
HISTORIC AMBROSE HOUSE

Built in 1695, this old landmark is now a regular Academy dormitory, remodeled to house eight boys.

The house, which was long the home of Mrs. Carrie Knight Ambrose, came to the Academy largely through the generosity of Mrs. Ambrose's relatives and friends and other friends of the school. Miss Sarah A. Clark of Newburyport has not only contributed generously to the purchase of the property but she has also contributed to an endowment to be known as the Knight-Ambrose Fund, which will aid the school in preserving and maintaining the house.

Mr. and Mrs. Howard C. Bean of Lowell, uncle and aunt of Ralph Bean who graduated last June, gave generously toward the purchase of the property.

A tablet, which will honor the memory of Mrs. Ambrose, will be placed near the front door of the house.

THE ACADEMY GLEE CLUB, WHICH PRESENTED A SERIES OF TEN CONCERTS DURING THE SCHOOL YEAR

Of the ninety-three boys who tried out for the club, fifty-five were retained. The concerts of the year included joint programs with two girls' schools, a radio broadcast on a coast-to-coast network, and concerts given at the University Club and the Women's City Club of Boston.

ABBOT FIDELIO SOCIETY JOINS ACADEMY SINGERS IN CONCERT

On Saturday evening, March 11, the combined glee clubs of Abbot Academy and Governor Dummer gave a concert in the Lang Gymnasium.

The girls arrived from Andover in time for a rehearsal before dinner at which they were entertained by members of the Glee Club.

Among the selections which the Fidelio Society offered, particularly enjoyable were *My bonnie lass she smileth* of Morley and Moussorgsky's *Youth at Dance*. The precision and accuracy of pitch with which the girls sang was a tribute to their director, Mr. Walter Howe.

Following the concert, dancing was enjoyed in the New Building by members of the two clubs with music by the Georgian orchestra of Boston.

The following program was presented:

Invocation of Orpheus	<i>Peri</i>
Sing We and Chant It	<i>Morley</i>
Go Down, Moses	<i>Negro Spiritual</i>
Combined Clubs	
Nightingale Song	<i>Handel</i>
Come, let us go a-Maying	<i>Gluck</i>

GLEE CLUB BROADCASTS CONCERT OVER NATION-WIDE HOOKUP

A large number of students and faculty members listened in on Friday evening, May 5 from 10:45 to 11:00 to the Glee Club broadcast from station WBZ in Boston. The concert originated from WBZ and was heard over the national WJZ network.

Under the direction of Mr. Sager the concert included Palestrina's *Adoramus Te*, Krone's *Czecho-Slovakian Dance Song*, Clokey's *Musical Trust*, Choruses from *Princess Ida* by Sullivan, and *Pilgrim's Chorus* from Wagner's *Tannhauser*.

GLEE CLUB SINGS IN BOSTON IN FIRST TWO SPRING CONCERTS

On Thursday evening, April 13, a combined concert of the Glee Clubs of the University Club of Boston and of Governor Dummer Academy was given in the lounge of the University Club of Boston.

In joint concert the clubs sang Kremser's *Prayer of Thanksgiving*, Jonson's *Drink to Me Only* and *March of the Peers* from *Iolanthe*.

On Friday evening, April 21, the Academy Glee Club gave its second concert of the spring term in Boston under the auspices of the Women's City Club of Boston. George M. Simson '39 appeared as piano soloist with the Glee Club.

The program was well received by a very enthusiastic audience. The club's performance of Palestrina's *Adoramus Te*, Wagner's *Pilgrim's Chorus* from *Tannhauser*, and Clokey's *Musical Trust* were particularly well liked.

CACHET SPONSORED BY STAMP CLUB AWARDED FIRST PRIZE

The cachet sponsored by the Governor Dummer Stamp Club at the 175th Commencement on June 9, 1938, was awarded first prize by the American Cover Club of stamp collectors, as the best historical cachet issued during that month.

The cachet, which was issued in connection with the dedication of the reconstructed Red Schoolhouse on June 9, showed a drawing of the Schoolhouse.

Envelopes bearing the cachet were mailed out from the South Byfield postoffice to nearly a thousand stamp collectors all over the country.

CAMERA CLUB SPONSORS FILM ON PHOTOGRAPHIC PROCESSES

During February, the Camera Club has been engaged in a number of activities which have promoted the work of the club.

Under the direction of Mr. Heil, some instructive work has been done in studying the facilities of the cameras represented in the Club; this has been in the nature of experiments in depth of focus, distances and speed. The Club has taken as a group pictures of still life and inanimate objects, keeping an accurate record of all exposure data. Plans are also afoot to carry this experimentation into outside photography.

The Camera Club was also able to present to the school on Sunday afternoon, February 26th, through the courtesy of the Eastman Kodak Company, the new sound-film *Shadows and Highlights* which described the complete processes involved in the manufacture of cameras, films, and printing paper.

CAMERA CLUB HOLDS EXHIBIT

Members of the Camera Club have arranged a competitive exhibition of photographic enlargements which was opened on June 8 to the public in the Studio. John Newman and Eugene Gardner are in charge of the exhibit. John Burnham won First Prize with his study of mountains entitled "Beneath the Mighty".

BOYS AND GUESTS ENJOY FALL TERM DANCE IN NEW BUILDING

The Fall Dance was held on Saturday, December 10, in the New Building. The music was supplied by Ken Reeves and his eight-piece orchestra.

The room was appropriately decorated with several Christmas trees and trimmings of pine boughs, and lighted candles in all the windows encircled the dance floor.

A tea dance began at four in the afternoon and lasted until six o'clock. Then after changing to formal dress, a buffet supper was served. Dancing then continued from seven-thirty until eleven o'clock.

DR. ALLEN, PROMINENT SURGEON, SPEAKS ON MEDICINE AS CAREER

On Friday evening, February 24th, Dr. Arthur W. Allen, well-known Boston surgeon and a member of the Academy's Board of Trustees, spoke to the school on medicine as a career. Dr. Allen is chief of East Surgical Service at the Massachusetts General Hospital, a Regent of the American College of Surgeons, and Lecturer in Surgery at the Harvard Medical School.

SOUND FILMS ON ASTRONOMY AND HURRICANE ARE POPULAR

On Sunday afternoon, April 16, a series of scientific educational films was shown in the Library. These included graphic presentations of the processes of catalysis and digestion and two unusual films on Astronomy, one outlining the career of Galileo and his telescope and the contemporary wonders of the Mt. Wilson Observatory, the other showing by diagrams the modern tidal theory of the origin of the earth and moon.

On Sunday afternoon, April 23, through the courtesy of the Bell Telephone Company the school was able to see a most interesting film showing the destruction caused throughout New England by the September hurricane.

Throughout the winter term, under the supervision of Mr. L. R. Kirk of the faculty, educational films have been shown on thirteen different occasions on Sunday afternoons and for classroom purposes. The attendance at the programs has passed the number of 550 and is an indication of the interest which has been shown in the development of film projects which the Academy has sponsored this year.

CHURCH AND SCHOOL LEADERS SPEAK AT SUNDAY VESPERS

Headmaster Merrick of St. George's School

On November 6, the Reverend J. Vaughan Merrick, Headmaster of St. George's School of Newport, spoke to the school. Mr. Merrick discussed the spiritual values of friendship in everyday life.

Rev. Leslie Glenn of Christ Church

The Reverend Leslie Glenn of Christ Church, Cambridge, spoke on January 8. Free institutions of government, said Mr. Glenn, are dependent upon free religious development.

Dr. Richard Gummere of Harvard

Dr. Richard M. Gummere, Chairman of the Committee on Admissions at Harvard, talked at Vespers on March 5. Dr. Gummere stressed the value of building our lives with deeds in the present rather than regretting the past or dreaming of the future.

Rev. Maxwell Savage of Worcester

The Reverend Maxwell Savage of the First Unitarian Church of Worcester was the Vespers speaker on April 9. As his Easter sub-

ject Dr. Savage urged all to approach thoughtfully the problem of immortality. He expressed the belief that man's hope of immortality will turn into a conviction that life cannot destroy.

Rev. Carl Elmore of Englewood

On Sunday, April 23, the Reverend Carl H. Elmore of the First Presbyterian Church of Englewood, New Jersey, pointed out that true happiness is found in putting self aside and fulfilling our best ideals in work and sacrifice.

Rev. Tertius Van Dyke

The Reverend Tertius Van Dyke, Headmaster of the Gunnery School, spoke at evening Vespers on May 7. He used the story of David to illustrate the importance of the age-old virtues of willingness, simplicity, and persistence.

Dr. Julius Seelye Bixler of Harvard

On Sunday evening, May 21, Dr. Bixler, Professor of Theology at Harvard University, gave a vivid series of impressions from his recent travels in Europe and the Near East to show the contrast between the essential humanity of all nationalities and their conflicting governmental doctrines.

PARSONS SCHOOLHOUSE FACES A CAMPUS SHADED BY ANCIENT TREES

More Briefly

On Saturday evening, November 19, the Hampton Quartet of Hampton Institute gave a concert in the Gymnasium. The program of negro music included *Ezekial Saw the Wheel*, *Swing Low, Sweet Chariot*, *Little Liza*, and *Juba*.

* * *

Mr. Sager accompanied a group of boys on a trip to Boston on November 19 to hear the opera *Aida*, which was presented by the San Carlo Opera Company.

* * *

Mr. Thomas J. Wood, Director of Admissions of Williams College, was present at Vespers on February 26. After the services Mr. Wood interviewed in the Mansion House those boys who are candidates for admission to Williams.

* * *

On Sunday afternoon, March 12, a French sound film, "The Life and Loves of Beethoven" with Harry Baur in the title role, was shown in the Library. The picture offered an interesting interpretation both of the composer's life and music.

* * *

Dr. Edward C. Koenig of Buffalo, N. Y., has just presented an eight-cylinder Stearns sleeve valve motor to the school for machine shop demonstration purposes.

* * *

At evening meeting on Tuesday, April 18, Mr. Daniel Jennings of the history department gave a talk on the development of the European situation since the Czechoslovakian crisis.

* * *

A small number of boys attended a dance given by the younger girls of Abbot Academy of Andover on Saturday afternoon, April 15.

* * *

Mr. and Mrs. James Duncan Phillips were hosts on Sunday afternoon, May 28, to members of the Library Council, Mr. and Mrs. Kirk and Mr. Freiday. Mr. Phillips showed the group many interesting old books and examples of good printing from his personal library and allowed the bibliophiles a browsing holiday through his fine collection.

* * *

On Sunday, May 21, a group of eight boys went to Portland to play at a piano recital given at the home of their teacher, Mrs. Rupert Neily. The boys were dinner guests of Mr. and Mrs. Neily.

1939 MILESTONE PRESENTED; BREWSTER GIVES CLASS GIFT

Edward Koenig, editor of *The Milestone* which was distributed last night after the ceremonies of the Senior Sing, announced that this year's edition was dedicated to Mrs. Edward W. Eames, "an unofficial leader whose guidance in social activities and whose graciousness to our parents and guests inspire our affection and respect."

Spencer Brewster '39 of Plymouth presented the class gift to the school which is a sum of money to be used in the improvement and development of Whipple Field as an addition to the school's athletic facilities.

The 1939 *Milestone* introduces a new feature this year in its special half-tone process end-papers printing a new aerial view of the school taken by the Gannett Publishing Company.

The Sing closed with the traditional ceremony of the Senior Song which members of the graduating class sang as they filed past the milestone on the campus. A reception for the seniors and guests was held by Mr. and Mrs. Eames in the New Building.

NEW GRAND PIANO PRESENTED TO ACADEMY BY BOY'S FAMILY

A Steinway grand piano has been given anonymously to the school by the mother and father of one of the boys. The instrument, which was selected by Mr. Sager, fulfills a real need of the school for a fine piano for concerts and the Vespers services.

The instrument has been placed in the living room of the New Building.

At the school meeting on Monday night, George Simson demonstrated the new piano by playing Levitzski's *Valse* and *The Hurdy-Gurdy Man* by Goosens.

PAINTING PRESENTED TO SCHOOL

Mr. and Mrs. Joseph A. Messenger have presented to the school a large oil painting which shows a late Eighteenth Century schoolmaster and his pupils in a classroom. The picture was painted early in the Nineteenth Century, probably by an English artist.

The painting, which will hang in Mr. Eames' office, is particularly interesting because it shows a school room scene which might well have been enacted in Master Samuel Moody's original schoolhouse at Governor Dummer.

EDITORIAL

Today, with the graduation of the 176th class from Governor Dummer Academy, the group of boys who are gathered together for these exercises, meet as a unit perhaps for the last time. All of us have formed friends throughout school years together and the thought is a sober one when we think how distance and time may separate us. Sadness, however, is mingled with happier feelings, for graduation marks a success and for seniors the commencement of a new chapter in life.

Inevitably we look back upon the year and its accomplishments and have a deep sense of pride in the milestones which have been passed to make this year an outstanding one in the school's long history.

This year marks a notable one in the Academy's enrollment which has now increased to one hundred and fifty boys and we are members of the largest Senior Class in the history of over a century and three quarters of commencements.

We have seen many additions to the school's equipment throughout the year which increase its scope in many ways; there have been precedents and records established of which we can be rightfully proud. The machine shop has

been brought to a stage of completion and already has wheels turning. The newly acquired Whipple Field has been used for the first time for organized athletics and the Senior Class has initiated a fund which will aid to put the whole field in better shape for succeeding years. The Glee Club has broadcasted from coast to coast and has had an outstanding season. The track team has won its laurels by breaking a number of records and establishing one of its own as the best that the school has produced.

These things are outward signs of success and progress; the whole school can look back upon them with inner satisfaction and more especially so the Seniors who rejoice today to be strong in their affection and loyalty to their school.

THE 1938 GOVERNOR DUMMER FOOTBALL SQUAD

ACADEMY FOOTBALL TEAM WINS
13-6 VICTORY OVER DEERFIELD

On Friday, November 11, the Governor Dummer football team toppled from the undefeated column a heavily favored Deerfield Academy team, by a score of 13 to 6. The game was played at Deerfield.

On a wet field, both teams played cautiously. Early in the first period, Bud Hasse blocked a Deerfield punt, and Tom Tenney recovered for the Governors on Deerfield's 15-yard line. After two running plays, Hasse scored on a forward pass from Ed Mulcahy. Pickard then converted.

Deerfield came back fighting in the second period and Captain Herrick scored on a line plunge from the 3-yard line, climaxing a 75-yard march. The Governor led 7 to 6 as the half ended.

During the last half Deerfield made several long gains, but for the most part the Governors held the upper hand, showing superior charging power and harder tackling.

Early in the last quarter the Governors marched to the Deerfield 10-yard line but were turned back. Later in the period Clark Young blocked a Deerfield punt which Pickard recovered, running it back to the Deerfield 12-yard line. After two attempts had failed, Matty Hannon finally plunged through the center of the line to cross the last white stripe for another six points. The attempt to convert failed, and the score stood 13 to 6.

On the next kick-off, Deerfield tried a lateral, but Don Mortimer smothered the passer

who fumbled. The Governors recovered the ball and kept it until the game ended.

SOCCER MEN TIE M. I. T. FROSH
IN GAME OF FOUR OVERTIMES

On October 15, the M. I. T. freshmen soccer team played the Governors at South Byfield in a game which resulted in a 2 to 2 tie in spite of four overtime periods.

In the first half, the Governors came on the field fighting hard and outplayed Tech throughout. The Governors kept the play in M. I. T.'s territory most of the time, but they were unable to register a goal.

Working to overcome the Tech lead, Captain Norm Pitcairn whipped in a goal after a strong offensive push by the team.

A few minutes later Tom Parker booted a spectacular goal, and the score was knotted at 2 to 2 when the regular time periods ended.

In four exciting overtimes, the Governors seemed always on top, but they saw all of their scoring tries saved by the M. I. T. defence, while Tech hardly threatened to score.

HOCKEY TEAM WINS 3-2 IN ROXBURY LATIN GAME

In a closely contested game at Roxbury on January 21, the hockey team defeated a strong Roxbury Latin sextet, 3 to 2. Although the score was close, and the game had to go into an overtime period to be decided, the Governors outplayed their opponents most of the time. The first score for the Governors came in the middle of the first period when Tooley sent a powerful shot from 30 feet into the cage at 6:21.

Early in the third period Pete Pearson picked up a loose puck and sent the Governors away with a 2 to 1 lead at 3:42. Roxbury Latin retaliated with a score 98 seconds later when Kittredge batted the puck into the goal after a fast scramble in front of the cage. Both sides made several unsuccessful attempts to score during the remainder of the period.

In the overtime the Governors scored on a freak play. Harry Davy shot the puck at the goalie who came up with an expert save, but pushed the puck into the cage as he tried to clear it. Outstanding for the Governors were Art Rolfe, who made several fine saves in the goal, and Captain Pete Pearson, who played an exceptional game.

WRESTLERS WIN HOME MATCH AGAINST HARVARD FRESHMEN

On Wednesday, February 15, the wrestling team defeated the Harvard Freshmen Reserves 14-13 in a close match at the Academy. This was the first victory of the season and gave a true indication of the excellent wrestling season in store for the Governors.

Norman Pitcairn, in winning a decision, kept his record clean. Ackerman turned in a fine performance in the 155 lb. class winning his first match of the season.

121 lb.:	Redman (H) threw Burnham (GD)	6:53
127 lb.:	Pitcairn (GD) defeated Blaine (H)	7:00
115 lb.:	Stone (H) drew with Ferris (GD)	7:00
145 lb.:	Benchley (H) threw Wright (GD)	1:14
155 lb.:	Ackerman (GD) threw Sullivan (H)	1:45
165 lb.:	Byfield (GD) defeated Conlin (H)	7:00
175 lb.:	Clement (H) drew with Mulcahy (GD).	

BELMONT HILL HOCKEY TEAM SCORES AGAINST GOVERNORS

On Saturday, January 14, the Governor Dummer hockey team opened its season by dropping a hard-fought battle to Belmont Hill, 4 to 1.

The team played very well considering the small amount of practice it had had. Special mention should go to Art Rolfe, who played an exceptional game in the goal.

TABOR GAME IS CLOSE TRIUMPH FOR ACADEMY BASKETBALL TEAM

On Saturday night, March 4, the Governors nosed out Tabor Academy 36 to 35. From the opening whistle both teams drove with undiminished spirit in a stirring contest.

Captain Donoghue of the Governors started the scoring with a beautiful lay-up shot from directly under the hoop. Johnny Koslowski did a wonderful job following up the Tabor shots and feeding the fast-breaking Governors. All through the first half the scoring was very evenly matched, and Tabor led 17 to 16 at the half's close.

The second half was very spectacular in the team play of the Governors. Tabor men stuck to their opponents on both ends of the court, and passing was difficult at best. The Governors took command of the game and made Tabor play defensive basketball.

Bert Pratt was the spearhead of the Governors' attack, and was on the receiving end of some beautiful passes. He kept himself in scoring range, and converted the points easily. Despite an injured finger, Bob Nutter played very well, both on defense and offense.

BASEBALL TEAM TAKES GAME 8 TO 5 FROM BELMONT HILL

On Saturday, May 13, the Governor Dummer baseball team defeated the Belmont Hill School by a score of 8 to 5.

The team got away to a fast start by scoring two runs in the first inning on singles by Munro, Collins, and Nutter. In the third inning the Governors added two more points to the score by another run by Nutter and a run by Goodrich.

Although Belmont Hill scored runs in the third, fourth, and fifth innings, the Governors continued in the lead throughout. In the sixth inning Pickard homered over the left-field wall with one man on base.

FLASH PLAY IN TABOR GAME

LACROSSE TEAM LOSES GAME, 8-6 IN CLOSE DEERFIELD CONTEST

On May 24, the Deerfield Academy lacrosse team journeyed to South Byfield to eke out a victory over a scrappy Governor Dummer team by the score of 8 to 6.

Deerfield sank two goals in the first seven minutes of play which was followed by a goal by Sheffield for the Governors. Lyle and Sheffield both scored against two Deerfield goals in the second period. The Governors seemed to gain strength as the game progressed and the tallies alternated closely, but although they managed to dominate the play in the fourth period the team was not able to even up the score against Deerfield's lead.

NETMEN DEFEAT OPPONENTS IN FIRST TWO MATCHES

On Thursday, May 11, the Governor Dummer tennis team traveled to Cambridge, and defeated Browne and Nichols 4 to 1, this team's first defeat in four years.

The team won both doubles and played better than the previous day when it defeated Thayer Academy, 3 to 2.

Singles: Pratt (GD) defeated Thompson (BN), 6-2, 6-2.

Burton (BN) defeated Abbott (GD), 6-2, 4-6, 6-3.

Hewitt (GD) defeated Petterson (BN), 6-2, 6-2.

Doubles: Pratt and Abbott (GD) defeated Thompson and Burton (BN), 6-2, 6-3.

Hewitt and Frost (GD) defeated Babb and Foss (BN), 8-6, 8-6.

MILTON GAME OPENS SEASON

BASEBALL TEAM SCORES 1-0 VICTORY OVER MOSES BROWN

The baseball team defeated Moses Brown at South Byfield on May 27 by a score of 1 to 0 in a game which redeemed last year's 3 to 2 loss to the Providence rivals.

John Koslowski starred for the Governors, striking out ten men and allowing only two hits.

The Academy nine scored the winning run in the sixth inning when Ted Munro hit out a bunt for a single and scored when Pickard laced a single into right field.

GOVERNOR DUMMER TO ENTER INTERSCHOLASTIC REGATTA

At the regatta to be held at the Beverly Yacht Club, Marion, Mass. from June 26 to 30, the school will be represented in the races by Harrison Poole, John Lyman, Robert Nutter, Henry Payson, and William Torrey.

The regatta is sponsored by the Interscholastic Yacht Racing Association.

Buzzards Bay type 15 ft. Herreshoff Knockabouts will be the boats used in competition.

GOLF TEAM LOSES TO ANDOVER

On April 26, the Academy golf team played a match on the Andover course and were beaten by Phillips Academy, 8 to 1. Tom Parker was the only man to win a point for the Governors although many points were closely played on the eighteenth green. Parker defeated Ted Murray of Andover 4-3, shooting a brilliant 83.

VICTORIOUS MILTON TRACK MEET SEES NEW SCHOOL RECORDS MADE

The Governors' track team continued its undefeated season on May 27 with a 54 to 36 win over Milton Academy at Milton. The meet was not only the first Academy defeat of Milton but was outstanding for the records set by Clark Young and Fred Greene who broke their own school records made in the Kimball Union competition in the low hurdles and the mile run respectively.

Bill Cochran turned in the surprise performance of the day by tying the school record in the pole-vault when he cleared the bar at 10 ft. 6 in. Dave Caldwell also equalled the school record in the 440-yard dash.

100-yard dash: Won by Whittier (M); second, Gilford (M); third, Huggins (G). Time 10.8 sec.

220-yard dash: Won by Young (G); second, Huggins (G); third, Sydell (M). Time 23.3 sec.

440-yard dash: Won by Caldwell (G); second, Comey (M); third, Hannon (G). Time 52.5 sec.

880-yard run: Won by Tenney (G); second, Goldswaithe (M); third, Pitcairn (G). Time 2 min. 10.4 sec.

Mile run: Won by Greene (G); second, Hardy (M); third, Olney (M). Time 4 min. 39.9 sec.

120-yard low hurdles: Won by Young (G); second, Noble (G); third, Gilford (M). Time 13.6 sec.

High jump: Won by Huggins (G); second, Page (M); third, Hannon (G). Height 5 ft. 6 in.

Broad jump: Won by Moulton (M); second, Hannon (G); third, Huggins (G). Distance 19 ft. 11 in.

Shot put: Won by Greeley (M); second, Young (G); third, Mulcahy (G). Distance 42 ft. 1 in.

Pole vault: Won by Cochran (G); second, Kent (M); third, Jenkins (M). Height 10 ft. 6 in.

GOVERNOR DUMMER SAILORS PLACE IN M. I. T. REGATTA

Jack Miller and Bill Torrey represented Governor Dummer Academy in the inaugural of interscholastic dinghy racing held in Cambridge on Wednesday, May 17, under the auspices of the M. I. T. Sailing Association and sponsored by Proctor Academy of Andover, N. H. Thirty-nine New England preparatory schools were represented. Governor Dummer won third place.

Twelve fast Herreshoff dinghies were furnished by the M. I. T. Yacht Club and six races were held. The championship division was determined after the first two races and the remaining boats were divided into three consolation divisions. Miller and Torrey finished in the final position of third place behind Andover and Derby Academies in the first consolation division.
